Re: East Orange Bd. Of Education v. E.M o/b/o J.B.  
Civil Action No. 08-4778 (SRC)

Dear Judge Chesler:

I am in receipt of your decision and order dated February 17, 2011 granting summary judgment in favor of the defendant regarding the East Orange District's responsibility for the related services of J.B.'s education in the above referenced matter. While the order directs that the "plaintiff" submit affidavits and pertinent documents, I assumed that this was an error and that the defendant is required to submit these documents by March 3.

In this respect, I am requesting a two week extension until March 17, 2011 to complete all affidavits in this matter. In addition to the parent residing in North Carolina, some of the records that the parent intends to rely upon are in the possession of other agencies. An additional two weeks will allow ample opportunity to complete and file the submissions with the Court.

Thank you for your courtesies in this matter.

Respectfully submitted,

3/2/2011

/S/ESTHER CANTY-BARNES
